## The Employee Free Choice Act

### 2009 CALIFORNIA LABOR CAMPAIGN

**W**e are undertaking the greatest fight for workers' rights and labor's future since the Wagner Act was passed in 1935. Our campaign asks all elected officials and allies of worker justice to endorse the Employee Free Choice Act. We also will work to re-commit all members of the California Congressional Delegation and our State Senators to the Employee Free Choice Act.

**Proposal adopted by the California Labor Federation Executive Council  
Dec. 17, 2008**
