

**Part Time Faculty Committee Meeting**

Meeting Tuesday, November 12, 5:00 PM

380 Bernardo Ave, Morro Bay, CA

Phone: 772-7336

*Present:* Marilynne Cleeves, June Beck, Katy Davis, Allison Merzon

*Absent:* Dawn Brown, Claudia Harmon, Juliet Knowles, Linda Mintz, Michele Gordon, Mike Holmes, Sherilyn Young, Kimberly Blackie, Leslie Drago, Mike Napoli, Mike Masterson, Pris Simoes

The purpose of this meeting was to promote CCFT membership for the 178 part-time faculty members that may not know they are not considered members of CCFT. The attached memorandum (Appendix A) was sent to all of the fair-share fee payers that were not officially CCFT voting members. We enclosed a copy of the AFT part-timer newsletter with the correspondence. Allison took the sealed envelopes to Mark Tomes to be mailed before the semester begins.

Allison Merzon reported she was expecting the Part-time Faculty MOU to be signed within the next week and will hopefully be able to give an announcement on opening day at our general faculty meeting.

**TO:**            «Name»

**FROM:**        CCFT Part-time Faculty Committee

**DATE:**        January 12, 2010

**SUBJECT:**    CCFT Membership

When you started teaching at Cuesta, you were sent a letter explaining the Fair share fees policy adopted by Cuesta to support our faculty union. Some part-time instructors have confused this with automatically becoming a member of CCFT. Unless you actually fill out the membership forms, you are not a member of CCFT.

We are writing this to encourage your filling out the application. Once you are a CCFT member, you are a voting member of our union. The current records show you are not a member. Part-time faculty members outnumber the full-time faculty in numbers by over 60%. Help us increase our strength by making your vote count.

**Join CCFT today!**

Respectfully,

Marilyne Cleeves, Part-time Committee Chair  
Claudia Harmon, Human Development  
Dawn Brown, Human Development  
Juliet Knowles, Business Education  
June Beck, English  
Linda Mintz, Human Development  
Michele Gordon, Human Development  
Mike Holmes, Biology  
Mike Masterson, Math  
Mike Napoli, Physical Education  
Pris Simoes, Business Education
